

Student Authorization for FTCC to Bill and Collect from Student for Castle Uniform Orders

The FTCC Bookstore will receive notice that you placed an order for your uniforms through Castle Uniforms. In order to receive your uniforms as close to the beginning of the semester as possible, Castle Uniforms must begin building your uniform order immediately, once Fayetteville Technical Community College (FTCC) confirms you are a student.

By signing this authorization below, you agree to the following:

- FTCC is authorized to place a charge on your FTCC student account for your entire Castle Uniform order.
- The order cannot be modified or cancelled.
- If you are eligible for a financial aid disbursement, the College will apply your financial aid award to any unpaid Castle Uniform charges on your student account, at the time financial aid disbursements occur.
- At the time of your Castle Uniform order, FTCC is unable to determine the amount of your future financial aid disbursements, therefore FTCC cannot confirm whether or not your future financial aid disbursements will cover the cost of your Castle Uniform order.
- In the event that your financial aid does not cover the cost of any portion of your Castle Uniform charges, FTCC will collect payment from you.
- FTCC's collection efforts include direct billing to students, participation in the State's Debt Setoff Program, use of a collection agency, and potential reporting of unpaid debt to credit bureaus.

Please fill out the information below completely and print clearly.
